

On the spiritual journey it helps to be out of your mind. In truth, the reliance on our cognitive abilities to order and understand life can keep us from embracing the mysterious and awesome presence of God. Are you aware of a desire to more deeply experience God's gifts of joy, peace, love and belonging? This may be God's invitation to create space in your life for a deepening truth.

DEEPENING TRUTH

The practice of living in the Spirit

This four week journey through Deepening Truth is an opportunity for intentional listening, exploring prayer practices, and focusing on God's presence in our lives.

Each gathering will include time for prayer, a presentation by Mark Gardner, and group discussion facilitated by Christos spiritual directors.
