We begin in Santa Fe, one of the most interesting cities in the Southwest. It has history and beauty to keep one amazed for weeks.

We spend our retreat time away from the city. The Christ in the Desert Monastery is truly remote. This means that for the five days we will be staying there, we will have access to genuine desert, but not have all the conveniences of home. We will use flashlight lamps in the evening, share bathrooms, and avoid the internet and television.

We will have time to debrief, to share our experiences in Santa Fe after the retreat. The pilgrimage is designed so that you may arrive earlier or stay longer in the Southwest if you wish. In any case, you should plan to arrive at the hotel by 4:00 on October 16.
