Pilgrimage of Imagination Advent through Lent

Through the centuries Christians have gathered to recount the most profound stories of God's love for humanity. Two of the most significant sets of accounts are told each year during Advent and Lent. This year we invite you to join in the story as preparation for Christmas and Easter. Through the gifts of scripture and imagination, we will be pilgrims journeying through the narratives, opening ourselves to God in prayer.

Join us for any or all of the four sessions. Our experience begins on December 1st and continues to Christmas Quiet on December 15th, when we come together with the whole Christos Community to ponder the coming of Christ.

We meet again on February 8th to reflect on the Passion of Christ and a final time on April 12th to consider the joy of Christ in gifting his friends for their greatest endeavor.
